

Nephrology Division Newsletter

March - April 2012

Announcements

- ❖ Our new **Division of Nephrology webpage** launched March 9, 2012: <http://nephrology.ucsf.edu/>. We were the first subspecialty to upgrade our website with one of the Department of Medicine's new design templates.
- ❖ **Kathleen Liu, MD, PhD** gave Grand Rounds at Henry Ford Hospital in Detroit on March 8, 2012, World Kidney Day.
- ❖ **Dr. Sam H. James** is co-author of a paper published in JASN titled "Effects of frequent hemodialysis on measures of chronic kidney disease-mineral and bone disorder (CKD-MBD): the Frequent Hemodialysis Network Daily and Nocturnal Trials." This paper was reviewed in Nature Clinical Practice Nephrology.
- ❖ **Dr. Michael Humphreys** has been invited to speak at the 2012 Symposium on Diabetic Kidney Disease and Hypertension sponsored by the ISN and Huashan Hospital, Fudan University, in Shanghai April 12-14.

Fellowship Program

- ❖ **Dr. Raymond Hsu** is the first author of an editorial in the February 13, 2012 issue of *Archives of Internal Medicine* "Acute Kidney Injury: Glimpses into epidemiology and opportunities for improvement."

Accomplishments and Awards

- ❖ **Dr. Flavio Vincenti** will receive the 2012 American Society of Transplantation Lifetime Achievement Award. This is the AST's most prestigious award and honors a senior investigator who has made significant contributions to the field of transplantation science or medicine.
- ❖ **Dr. Ruth Dubin** has been awarded a K23 grant.

Congratulations to all our award-winning faculty, fellows and staff.
