July – August 2022

Fellowship Program

- We welcome our first-year fellows: **Drs. Ian Da Silva Lugo, Meghana Eswarappa, Young Hsu, Jaclyn Khil, Uchenna Nwosu and Victor Prado.**
- We are delighted that **Drs. Matthew Breeggemann, David Li and Allen Chao**, who graduated in June 2022, all stayed on to join the faculty.
- **Dr. Ann O-Hare**, former UCSF renal fellow (1999-2004) who has been appointed as the inaugural holder of the Bill Peckham Endowed Fund for Person-Centered Care at the University of Washington.

Accomplishments and Awards

- At the recent Clinical Research Forum annual meeting held in Chicago, **Dr. Chi-yuan Hsu** received a 2022 Top Ten Clinical Research Achievement Award and a Distinguished Clinical Research Achievement Award.
- Congratulations to **Dr. Christopher Carlos** and clinical research coordinator **Divya Seth** for being recognized by RemeGen for highest patient enrollment in a clinical trial for IgA Nephropathy!
- **Kathleen Liu, MD, PhD** was invited to give the Burton Rose Endowed Lectureship 'Fluid management in Septic AKI' at the upcoming ASN Kidney Week meeting in November 2022.
- Kudos to **Dr. Michelle Estrella, MD** who was honored with an American Society of Nephrology Mid-Career Distinguished Mentor Award!

Congratulations to all our award-winning faculty, fellows and staff.
